

LINA CERVANIA

5401 Silver Poplar Ln Elk Grove, CA 95758 | (916) 430-5594 | linacervania@gmail.com

OBJECTIVE

To obtain Project Manager position in a high-quality engineering environment where my resourceful experience and academic skills will add value to organizational operations.

CERTIFICATION AND SKILLS

PTC Creo	PLC circuits	Matlab	Solidworks
Analog & digital circuits	AutoCAD	OSHA/PPE certified	Photoshop

PROFESSIONAL EXPERIENCE

Inter, Sale Application Support Engineer, TOMRA Sorting Solutions, March 2018 – Present

- Collaborated with application engineers and assisted with new product testing, machinery demonstrations, and provided technical support related to specification changes.
- Provided on-site calibration services for the optic sorter equipment and followed up with visitation reports.
- Overlook engineering design drawings and schematics in order to verify compliance with standard requirements, interface specification, and technical specifications.

Lead Pharmacy Technician, Sam's Club, May 2016 – September 2017

- Managed pharmacy inventory through proper medication ordering, returns, and inter-store transfers.
- Helped implement pharmacy's quality assurance and control program. ensured compliance with HIPPA, State Board of Pharmacy and OSHA regulations; and improved patient care/satisfaction.
- Directly supervised and trained new pharmacy technicians and interns in pharmacy daily operations.

Ambassador, Energy Consultant, SolarCity, September 2015 – April 2016

- Analyzed all clientele usage and needs to accurately provide clean and affordable energy solutions for their residence.
- Created sale and marketing tools to gain new clientele and followed up on sales leads to close deals.
- Maintained quality relations with clients to ensure customers satisfaction and retention.

Pharmacy Technician, Walmart, October 2013 – August 2015

- Aided in troubleshooting Pharmacy insurance related issues and performed medical billing regularly.
- Maintained pharmacy equipment, handled sales transactions, and managed the cash register.
- Carried out special projects, such as drug protocol audits.

PROJECT EXPERIENCE

CNC Hydraulic Brake Press, Sacramento State University, January 2018 – December 2018

- Designed, documented and applied Solid Works CAD software to design a computer numerical control brake press.
- Created bill of materials, budget tracking, and coordinated with vendors to meet project costs.
- Scheduled and directed team meetings to ensure compliance to project parameters.

BMW Adaptive Cruise Control Simulation, Sacramento State University, August 2017 – December 2017

- Aided team in creating a cruise control simulation on an Arduino board with led lights.
- Programmed and wired a 4 Digit 7 Segment LED Display to show the car's changing of speed.
- Performed as lead coordinator in virtual and physical collaboration between project team members.

EDUCATION

BS, Mechanical Engineering, California State University, Sacramento, December 2018

PROFESSIONAL ACTIVITIES AND ENRICHMENT

Member, American Society of Mechanical Engineers, Sacramento Chapter, 2017 - 2018
CrossFit, Snowboarding, Photography
